## 2009 Annual Meeting Report

On November 12<sup>th</sup>, we held our annual meeting in the clubhouse. For those of you who could not attend, here are the big items of interest:

Two seats were open on the Board of Directors. Ron Junek was reelected, and Troy Ludens was elected to his first term. We would like to thank John Langdell for his service – he was great to work with.

2010 Membership and Tournament rate modifications were approved.

2009 Facility improvements included: Purchase of new golf car fleet, new bridge and cart path on hole 15, new restroom and concession building on hole 14 tee with cart path re-routes, update of grounds equipment fleet, new pro shop retail counter, and new women's tee on hole 8.

\* Thanks to the members who attended our annual board meeting.

The biggest item of interest is that after much debate and with a measurable amount of trepidation, the Board has decided that 2009 will mark the end of the swimming pool at SCCC.

HO HO HO & a bottle of rum, Santa's run off to the Caribbean.

The Christmas in the Caribbean party at Spearfish Canyon Country Club that is.

**2<sup>nd</sup> Annual SCCC Christmas Party & Merchandise BLOWOUT!!**

**All Merchandise will be moved into the Clubhouse and marked down to rock bottom!!**

**Friday, 12/11/2009**

## Winter Golf Guidelines:

For those of you who are tough enough to brave the elements during the winter months, the back nine will have two cups cut in each green. Unfortunately, you don't get to putt to the closest cup following your approach, but rather the cup in which the flagstick is located. After you have completed the hole, please move the flagstick to the other cup. This will help alleviate damage to the high traffic areas on the greens and green surrounds during the rough winter months.

Please make sure to verify with SCCC staff that the back nine is indeed open.

## 2010 Memberships

The early payment incentive returns in 2010. If you pay your dues in full by January 31<sup>st</sup>, you will earn (4) guest passes and enjoy 2009 rates, a value of over \$250.

**What a DEAL!!!**

Membership applications are now available. Please fill out the application in full as we are starting a new database. Thanks...
