2010 Projects:

The new bridge on hole #15 (first crossing) will soon be in process. We hope to be able to get the bridge installed without disturbing too much ground along the creek bed. The second crossing on hole #15 has already been replaced. The old (concrete path) second crossing will be removed allowing the creek to flow more smoothly.

Another tee box pod on hole #8 is reaching completion. It is located behind the new forward (ladies') tee and will measure about 145 yards to the center of the green. Topsoil was put in place in the late fall and will be ready for sod after a winter's worth of settling and compaction.

Also in the plans are some cosmetic changes with regard to the pump house on the back 9 located adjacent to the pond. We plan on residing and reroofing the building to match the new restroom and concession building.

We would like to welcome SCCC's newest hire and your Food & Beverage Manager, Jim Gerdes. Jim has an extensive level of experience in both facets of our operation. He is an experienced barkeep and has most recently been a cook at Roma's. He also loves the game of golf and was a member in 2009 in addition to working part-time for Jamie on the grounds in 2009. We welcome him and look forward to some very positive changes in the clubhouse.

Pro Shop hours for February will be weather based. If you need assistance and the pro shop is closed please call Jaime at 605-645-9822 or Rob at 505-385-5683.

We have been extremely busy this offseason with the takeover of the restaurant for 2010. We would like to thank Nick for his years of service as the lessee and we are very excited about the opportunity to move forward with a new revenue source for the club.

The kitchen has been completely torn down and detailed. We have made a few additions and repairs to improve the infrastructure. We have also made some changes with regard to restaurant atmosphere and product diversity. We have added two new plasma televisions and plan to add at least one more. We are in the process of decorating the room with a golf theme and continue to improve our sound system.

We have also installed a state-of-the-art point of sale system that works in harmony with our system in the pro shop and business office. We have been diligently working on a diverse and functional menu and we plan on offering a very consistent, quality, and predictable level of product and service at an exceptional value.

We want our members to use their clubhouse!!

Tournament/Outing dates will be secured in March. Packages include player fees, breakfast / lunch / or dinner, scoring services, and cart fees. Golf outings are a great addition to family reunions, employee parties, corporate outings, birthday or bachelor parties, etc.

Please contact Rob for details. 717-4653

We are rapidly approaching the time of annual excitement for receiving new product in the Pro Shop. We will begin to see the UPS truck a lot more often starting the first week of March. We have pre-booked a variety of new equipment and apparel for the 2010 season. Apparel from vendors such as: Tehama, Page & Tuttle, Monterey, AHEAD, Kate Lord, Footjoy, Nike, Sun Mountain, and Antigua. Footwear from: Footjoy, and Nike. Equipment from: Titleist, Cobra, Callaway, Odyssey, Ping, Bridgestone, Precept, Nike, and Taylor Made.

Remember to have us install new on your golf equipment (grips)!
