Member Match Play

Congratulations to our Match play Finalists. In Flight 1, Craig Crosswait will be playing Phil Koehler. In Flight 2, Ron Ginsbach will be playing Dave Claggett. In Flight 3, Bill Bomberg will challenge Brett Stephens and in Flight 4, Jim Haivala will take on George Dunlap. In the ladies bracket, the semifinalists include Lois McBride, Jeanne Langdell, Karen Bridges and Dawn Kennedy. Thanks to all participants. I hope everyone enjoyed a taste of match play! Good luck to the final Competitors.

Next, I would like to set

up an 18 hole match play bracket for a team competition. You can pick your own partner for this event and we will play a best ball (not scramble) format with 2-person teams. Men and women are encouraged to participate. Entries will be limited to the first 32 teams to sign up. The entry fee is \$20 Per Team. This will be a net competition and open to members with handicaps ONLY. Please contact the shop to sign up!

Speaking of handicaps, there has been a bit of confusion when posting your scores! Did you know that there is maximum number of strokes you can take on a hole? (This does not mean you have to pick your ball up when you get to the max) but rather it is the maximum you can POST for your handicap. Here is the magic chart. If your course Handicap is:

- 9 or less - double bogey is the most you can post
- 10-19 - 7 is highest
- 20-29 - 8 is the highest
- 30-39 - 9 is the highest
- 40+ - 10 is the highest
